# Meet Doug Levy

Hey Central Church! This is Doug Levy. I've been asked to help Central as a consultant in the transition process, help lead the music in the early contemporary service, and to help shepherd the congregation by doing visitations, occasional preaching and by keeping some office hours at the Church during the week for anyone who may desire biblical counseling and/or prayer.

For those of you who don't know me as well as some of the lifelong members of Central do, I grew up in this church. From being dedicated here at 6 weeks old, making a decision to follow Jesus at 17, to preaching my first sermon and getting married here.

I've been in full time ministry since 1986. I've done music ministry, youth ministry, college ministry and held several pastoral positions. My wife Monica has also held several staff positions in churches where we have served. She will be helping around Central Church as well.

We have a vested interest in Central Church making this transition and becoming a healthy, vibrant church again. If there is anything we can do to help you as an individual, as a family, please connect with us on a Sunday morning or reach out to the church office and they can help us get connected to you.

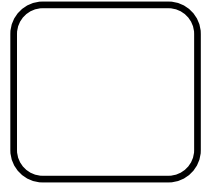

## Project Crossroads

Do you have a passion for serving others? Do you want to help be the hands and feet of Jesus as we serve low-income, elderly and handicap families through Project Crossroads home rehab ministry? Central will be serving August 7-11 in Marion, Va. You can come for the week and stay at the project house, or you can come for one or more days and drive back and forth from Radford. But we need YOU. Questions? see Pete Langil or Martha Kincaid 540-250-6108

## Mission of the Month

Central's Mission of the Month for June will be for August Kids, through the Radford Clothing Bank. Monetary donations will be used for \$75 clothing vouchers to Walmart for disadvantaged children attending Radford City Schools. Last year over 270 children were able to have new clothing & tennis shoes, to begin school. Would you or your Sunday School class consider sponsoring a child's voucher?

Thank you for your support!

If you know of someone in need of prayer, food, or help with utility bills, please let the pastor or office know.
